M.Ed. revised course pattern

As per the ordinance of University of Mumbai, semester pattern comprising of two semesters with 50 credits in all has been introduced for M.Ed. course from the academic year 2012-13.

The scheme of examination now includes internal assessment through seminar presentation, class test, assignments etc. and the semester end examination. The marks obtained in the course will be indicated by a grade point and a letter grade.

Recreate and Rejuvenate...

28th September, 2012-

As "All work and no play makes Jack a dull boy" the Annual Sports activities were kick started by the students of PCER under the guidance of our teacher educator Ms. Tina Roy. Various indoor games like chess, carom, table tennis and badminton were organized. Almost all the students participated enthusiastically in the games and exhibited great sportsmanship, co-operation and team spirit.

The highlights

The saga of success continues...

Once again our B.Ed. and M.Ed. students have proved that "Nothing stops the man who desires to achieve" through the outstanding results achieved by them in the academic year 2011-12. Mr. Anthony Gonzales won the University gold medal at the Masters in Education Examination, conducted by University of Mumbai.

The overall result of M.Ed.

Department of PCER, Panvel,

was 100% with 3 distinctions and rest all first class. The result for the academic year for B.Ed. section was 100%. We shall continue to strive to achieve and maintain excellence in quality of education provided at our institution, and are optimistic of continued creditable results in future.

Advanced Academic Endeavours

One more feather is added to our cap as PCER, Panvel, has been granted permission for the research centre for Ph.D. degree in the subject of Education by the University of Mumbai. Dr. Sally Enos and Dr. S Wadikar are the recognized guides of this centre.

Our Hall of Fame

We are immensely proud to announce that the M.Ed. section at PCER, Panvel, has succeeded in bagging the gold medals in the M.Ed. examination, conducted by University of Mumbai for the three consecutive years.

Ms. Devanshi Praveen	2009-10
Ms. Vinita Desai	2010-11
Mr. Anthony Gonsalves	2011-12

Hearty congratulations to all !!

Being Environmentally Conscious

The ever increasing population and technology is rapidly degrading our environment beyond repair, consequently making it obligatory for all to strive for sustainable development. With this viewpoint a poster and collage making competition was held on 18th November, 2012 for our students under the theme □ Sustainable energy for all. The competition helped in promoting awareness in the young minds that they should be more careful with nature and start thinking of the future generations today when it's not too late.

Fostering competitive spirit...

Intercollegiate Competitions

15th September, 2012- Kudos to our students Mr. Rajesh Kumar and Ms. Susanna Johnson for bagging the first prize in elocution competition in Hindi and English respectively in the 'Principal Mathews Chacko Memorial Intercollegiate Extempore Competition' organized by Pillai College of Education and Research, Chembur.

Our students Ms. Shalini Pandey and Ms. Anuradha Ray participated in poster making and mehendi competition at the same event. The theme for the competition was "Values".

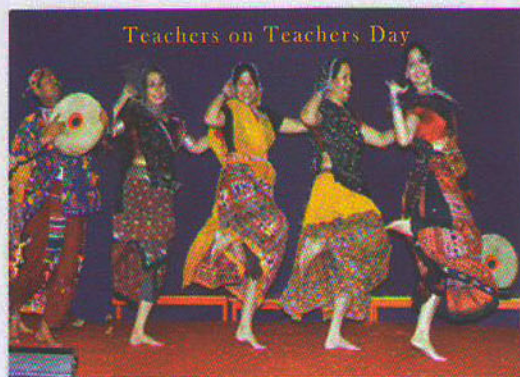

2nd September, 2012-

We congratulate Ms. Alpana Sharma for winning the first prize in elocution competition under the theme "Values in Jainism" in Dineshbhai Mody Intercollegiate Elocution Competition organized by Department of Students Welfare at the University of Mumbai.

In-house Competitions

1st November, 2012-The ever increasing population and technology is rapidly degrading our environment beyond repair, consequently making it obligatory for all to strive for sustainable development. With this viewpoint a poster and collage making competition was held for our students under the theme 'Sustainable energy for all'. The competition helped in promoting awareness in the young minds that they should be more careful with nature and start thinking of the future generations today when it's not too late.

Teachers on Teachers Day

Teaching Aids Making

College Jamborees...

Venerating the National Language...

On 1st September, 2012- Teachers day celebration was an affair to remember as our students left no stones unturned to show their gratitude and appreciation for their teachers. An impressive programme consisting of poem recitations, fashion show followed by a terrific dance performance and humorous games for teachers was arranged by the students in a very short period of time.

The programme concluded with the cake cutting ceremony by the teachers and students together, leaving all with the flashes of memories to be cherished forever.

Swaying to tunes of Garba & Dandiya...

On 20th October, 2012- The entire crowd of B.Ed. and M.Ed. comprising of the students teachers along with the teaching and non-teaching faculty members came together to dance to the tune of garba songs. The colorful ambience, joyful mood and beautiful lahangaas added to the beauty of that evening.

The masaledar tea served with yummy samosas further energized the crowd. The event was concluded with felicitation of best garba pair, best dandiya pair, best dress award given along with the chocolate bouquet made by our very own teachers and students.

Honouring the Teachers...

On 1st September, 2012- Hindi Diwas was celebrated by our staff and students with great zeal and fervour. The Programme started with a prayer and welcome of teachers with floral tribute. This was followed by a power point presentation on famous Hindi literary personalities and their works, poem recitations and speech in Hindi by the students which highlighted the importance of our national language and its preservation. The programme ended on a happy note as Asst. Prof. Vikas Tupsundar sang a famous Hindi song dedicated to our students.

Sustainable Energy for All...

On 19th and 20th October 2012 a two days National Level Seminar on 'Environmental Re-engineering Series 3, Sustainable energy for all' was organized by Pillai College of Education and Research, New Panvel. The Chief Guest for the day was Mr. A. L. Tripathi, Deputy CEO, MES- Khanda colony campus, a learned person and a lamp, who has guided the MES institution in the obscure ways of the world. The session had an august presence of esteemed dignitaries from the various institutions of Mahatma Education Society and other eminent academicians.

Mr. Tripathi stressed on the importance and relevance of the seminar topic in today's Indian context. By quoting the mantra, Ya Devi Sarva Bhutesu Shakti rupena samsthita, he threw light on the fact that energy has always been worshipped as goddess Maa Shakti in India, and thereby it shouldn't be exploited and be used with proper discretion.

An overview of the seminar was presented by Principal Dr. Sally Enos, a true environmentalist to the core. She presented the theme of the programme and its usefulness with a presentation titled 'towards sustainable practices'. She very well brought out the need for all to feel consciously responsible for the environment by throwing light on the Article of Indian constitution which marks protection of environment as a fundamental duty of each citizen.

The Guest Speaker for Session I on Sub-theme 'Energy depletion and environment' was Dr. Chitra Natrajan, Dean, Faculty of Science Education, Homi Bhabha Centre for Science Education. She brilliantly put across the concept of a system and systems vocabulary to the audience with Greenhouse effect etc. Her thought provoking questions, examples, brilliant activities and simulations left everyone mesmerized.

Ms Anagha Paranjpe Purohit, President VLe Environmental Consultancy, Pune and Trustee, Sustainability Initiative was the resource person for Session II on Sub-theme II: 'Energy efficiency and audit'. She took a very informative session on energy efficiency and audit. Her practical activity of auditing the electricity bill, received a very positive participation from the audience.

Session III was graced by extremely learned professional Mr. M. V. Padmanabhan, a chartered electrical engineer, working for the Grid connected photovoltaic system at V Pillai's campus at New Panvel. He shed light on the use of solar panels as an alternative to using fossil fuels and wood fuels.

Session IV with the Sub Theme III: 'Calculate your Carbon Footprint' was a joint venture by Samuchit Enviro Tech Pvt Ltd & Green Build Products (I) Pvt Ltd Pune. The speaker and director from

Samuchit Enviro Tech Pvt Ltd Dr Priyadarshini Karve and her group conducted the actual activity of 'Calculate your carbon footprint' which saw enthusiastic participation of the audience with lot of inquisitive inquiries keeping the communication channel busy throughout the session. Speaker Mr Herambh Thakur from Green Build Products (I) Pvt. Ltd. Pune gave an overview of green design.

Session IV also saw a few more resourceful dignitaries gracing the occasion. Dr. Bharat Bhushan, Professor, Dean Environmental Planning (Academic) and Secretary Yashada stressed that sustainable living should not be our alternative choice, but instead our first choice. Mr Sandeep Bedi practicing Economist with 22 years of experience in Evolutionary Economics & Technomics, Founder Director 'Knowasys' and Chief Economist of Intellectual Asset Management spoke briefly on the correlation between environment and economics.

The sessions were well knitted with subtheme based paper presentations of the participants. It was a proud moment for PCER Panvel to be lauded by all for organizing a successful seminar and its persistent effort towards addressing the issues related to environment through such seminar series.

Going Beyond Curriculum...Workshops & Talks

11th August, 2012- A workshop on 'Objectives and Specifications' was organized for the student-teachers. The workshop focused on developing the skills in framing objectives and specifications was initiated by Principal Dr. Sally Enos and further continued by the teacher educators.

16th August, 2012- To equip the student teachers with essential skills in preparing effective and economical teaching aids, a workshop on "Teaching Aids Preparation" was conducted by Asst. Prof. Geeta R. Thakur.

4th September, 2012- An interactive session on 'Core elements or components of National Curriculum', underlining the important role of education in imparting values, was conducted by Ms. Tina Roy.

9th September, 2012- Dr. Karuna Gupta, HOD, M.Ed. section conducted a workshop on 'Writing Research Proposal' on 9th & 13th September, 2012 for our M.Ed. students.

11th September, 2012- A workshop on 'Transactional Analysis' aimed at enabling our student-teachers, to learn skills that would enable them to manage the classroom dynamics, more effectively, as the teachers.

24th September, 2012- To highlight the issues related to degeneration of values and their implication as faced by the students today and how to overcome such issues, a workshop on 'Value education' was conducted by Mr. Rajesh Kumar for our B.Ed. students.

3rd October, 2012- A talk on 'Art of Survival' was organized for B.Ed. students. The session was conducted by Dr. Sudhakar Upadhyay and stressed on the urgent need for women to equip themselves with essential skills

Extending Services...

On 19th July, 2012 - One day workshop on 'Skill in Teaching' was conducted by our teachers at Pillai Institute of Polytechnic.

The workshop was an interactive session on basic skills essential for effective teaching and handling classroom situations at Junior College level.
