## 1. MGM Institute's University Department of Nursing, Kamothe

The partnership between Pillai College of Education and Research (PCER), Panvel, and MGM Institute's University Department of Nursing, Kamothe, facilitates resource sharing and workshops focused on sustainable practices. PCER and MGM Institute's University Department of Nursing engage in resource sharing initiatives to promote sustainable practices. This may involve sharing best practices, educational materials, and research findings related to sustainable healthcare practices, environmental conservation, and waste management. The collaboration between PCER and MGM Institute's University Department of Nursing encourages interdisciplinary collaboration and knowledge exchange between educators, researchers, and healthcare professionals. This fosters a holistic approach to sustainable healthcare and promotes innovation in nursing education and practice.

## 2. Soroptimist Welfare Association – SIBC

Pillai College of Education and Research (PCER), Panvel, collaborates closely with the Soroptimist Welfare Association - SIBC (Soroptimist International Bombay Chembur) to engage in a variety of social welfare activities and community outreach initiatives. Throughout the year, PCER students actively participate in events such as the annual Jumble Sale, organized by SIBC, which serves as a fundraising platform to support various social welfare projects. Additionally, during the pandemic, PCER joins hands with SIBC to conduct a Blanket Donation Drive, providing warmth and comfort to vulnerable individuals and families in need. Together, PCER and SIBC host sessions and workshops on topics ranging from women's empowerment to mental health awareness, promoting dialogue and education on crucial social issues. Moreover, PCER actively celebrates significant days such as World Mental Health Day and International Women's Day in collaboration with SIBC, fostering solidarity and inspiring action for a more inclusive society. Furthermore, PCER students contribute to environmental sustainability efforts by participating in a newspaper drive organized by SIBC, emphasizing the importance of waste reduction and recycling. Through these collaborative endeavors, PCER and SIBC strive to create positive social impact, promote community well-being, and instill values of service and compassion among students.

### **. 3. MES' Mahatma School of Academics and Sports, Khanda Colony**

Pillai College of Education and Research (PCER), Panvel, collaborates with MES' Mahatma School of Academics and Sports in Khanda Colony to facilitate resource sharing and internship opportunities for students. Through this partnership, PCER students gain access to resources and facilities at MES' Mahatma School, enhancing their learning experience and practical skills development in academics and sports. Additionally, students have the opportunity to participate in internships at MES' Mahatma School, gaining valuable hands-on experience and insight into academic and sports education. This collaboration enables PCER students to broaden their knowledge, expand their professional networks, and prepare for successful careers in the education sector.

#### 4. JBSPS' Changu Kana Thakur Vidyalaya

Pillai College of Education and Research (PCER), Panvel, collaborates with JBSPS' Changu Kana Thakur Vidyalaya to facilitate resource sharing and internship opportunities for students. Through this partnership, PCER students gain access to resources, facilities, and expertise available at Changu Kana Thakur Vidyalaya, enhancing their educational experience and practical skill development. Additionally, students have the opportunity to participate in internships at the Vidyalaya, gaining valuable hands-on experience in teaching and educational administration. This collaboration promotes mutual learning, knowledge exchange, and professional growth, benefiting both institutions and contributing to the overall advancement of education in the region.

## 5. MES' Mahatma International School, Khanda Colony

Pillai College of Education and Research (PCER), Panvel, collaborates with MES' Mahatma International School in Khanda Colony to facilitate resource sharing and internship opportunities for students. Through this partnership, PCER students gain access to resources, facilities, and expertise available at MES' Mahatma International School, enhancing their learning experience and practical skill development in the field of education. Additionally, students have the opportunity to participate in internships at MES' Mahatma International School, gaining valuable hands-on experience in teaching and educational administration. This collaboration promotes mutual learning, knowledge exchange, and professional growth, benefiting both institutions and contributing to the overall advancement of education.

## 6. Vishwajyot High School, Kharghar

Pillai College of Education and Research (PCER), Panvel, partners with Vishwajyot High School in Kharghar to organize tutoring sessions, literacy awareness drives, and internship opportunities for students. Through these collaborative efforts, PCER students engage in tutoring sessions to support the academic development of Vishwajyot High School students while promoting literacy awareness in the community. Additionally, PCER students have the opportunity to intern at Vishwajyot High School, gaining practical experience in educational settings and furthering their professional development. This partnership fosters mutual learning, community engagement, and the exchange of knowledge between PCER and Vishwajyot High School, ultimately benefiting both institutions and contributing to the overall educational ecosystem in Kharghar.

### 7. JBSPS' Changu Kana Thakur Junior College, New Panvel

Pillai College of Education and Research (PCER), Panvel, collaborates with JBSPS' Changu Kana Thakur Junior College in New Panvel to facilitate resource sharing and internship opportunities for students. Through this partnership, PCER students gain access to resources, facilities, and expertise available at Changu Kana Thakur Junior College, enriching their educational experience and practical skill development. Additionally, students have the opportunity to participate in internships at the junior college, gaining valuable hands-on experience in teaching and educational administration. This collaboration promotes mutual learning, knowledge exchange, and professional growth, benefiting both institutions and contributing to the overall advancement of education in the region.

### 8. MES' Mahatma Junior College of Arts, Science and Commerce, Khanda Colony

Pillai College of Education and Research (PCER), Panvel, partners with MES' Mahatma Junior College of Arts, Science and Commerce in Khanda Colony to foster resource sharing and internship opportunities for students. Through this collaboration, PCER students gain access to resources, facilities, and expertise available at MES' Mahatma Junior College, enriching their educational experience and practical skill development. Additionally, students have the opportunity to participate in internships at MES' Mahatma Junior College, gaining valuable hands-on experience in the fields of arts, science, and commerce education. This partnership promotes mutual learning, collaboration, and professional growth, benefiting both institutions and contributing to the holistic development of students.

## **9. Maharashtra Education Society's Adya Krantiveer Vasudev Balwant Phadke Vidyalaya, New Panvel**

Pillai College of Education and Research (PCER), Panvel, collaborates with Maharashtra Education Society's Adya Krantiveer Vasudev Balwant Phadke Vidyalaya in New Panvel to facilitate resource sharing and internship opportunities for students. Through this partnership, PCER students gain access to resources, facilities, and expertise available at Adya Krantiveer Vasudev Balwant Phadke Vidyalaya, enriching their educational experience and practical skill development. Additionally, students have the opportunity to participate in internships at the Vidyalaya, gaining valuable hands-on experience in teaching and educational administration. This collaboration promotes mutual learning, knowledge exchange, and professional growth, benefiting both institutions and contributing to the overall advancement of education in the region.

## 10. Muenzer Bharat Pvt. Ltd., Nerul

The collaboration between Pillai College of Education and Research (PCER), Panvel, and Muenzer Bharat Pvt. Ltd., Nerul, benefits for PCER students and contributes to sustainable practices. PCER students have the opportunity to visit Muenzer Bharat Pvt. Ltd. as part of their educational tours. These visits provide firsthand exposure to biodiesel production from used oil, allowing students to witness sustainable practices in action and gain insights into renewable energy technologies. Through educational visits and workshops organized by Muenzer Bharat Pvt. Ltd., PCER students learn about the importance of sustainable practices and environmental conservation. They become aware of the benefits of biodiesel production from used oil, contributing to their understanding of renewable energy solutions and sustainable development. PCER collaborates with Muenzer Bharat Pvt. Ltd. for resource sharing initiatives. The college provides used oil from its canteen to Muenzer Bharat Pvt. Ltd., contributing to the company's biodiesel production process. This partnership promotes waste reduction and recycling, aligning with principles of sustainability and environmental stewardship.

### 11. KME Society's G. M. Momin Women's College, Bhiwandi

Pillai College of Education and Research (PCER), Panvel, collaborates with KME Society's G. M. Momin Women's College in Bhiwandi to facilitate resource sharing and participate in National Priority Programmes. Through this partnership, PCER and KME Society's G. M. Momin Women's College exchange resources, knowledge, and expertise to enhance educational initiatives and support community development. Additionally, both institutions jointly engage in National Priority Programmes aimed at addressing key societal challenges and promoting social welfare. This collaboration fosters mutual learning, capacity-building, and collective action towards achieving national development goals, benefiting both institutions and the broader community.

## 12. Bahai Academy, Panchgani

The collaboration between Pillai College of Education and Research (PCER), Panvel, and Bahai Academy, Panchgani, presents significant opportunities for PCER students to participate in National Priority Programmes. PCER students can actively participate in National Priority Programmes organized by Bahai Academy, focusing on educational development and social empowerment. Participation in National Priority Programmes allows PCER students to engage with diverse communities and gain firsthand experience in grassroots-level initiatives. They have the opportunity to contribute to community-driven projects, collaborate with local stakeholders, and make meaningful contributions to societal development. Through their involvement in these programmes, PCER students are empowered to become compassionate educators and change agents committed to creating a more just and equitable society.

### 13. Taloja Industries Association

The collaboration between PCER and the Taloja Industries Association underscores our shared commitment to fostering continuous learning and professional growth. Through joint initiatives, capacity-building programs, and knowledge-sharing platforms, we aim to advance our shared goals of promoting excellence and innovation. The collaboration with the Taloja Industries Association provides PCER students with valuable experiential learning opportunities, industry exposure, and professional development resources.

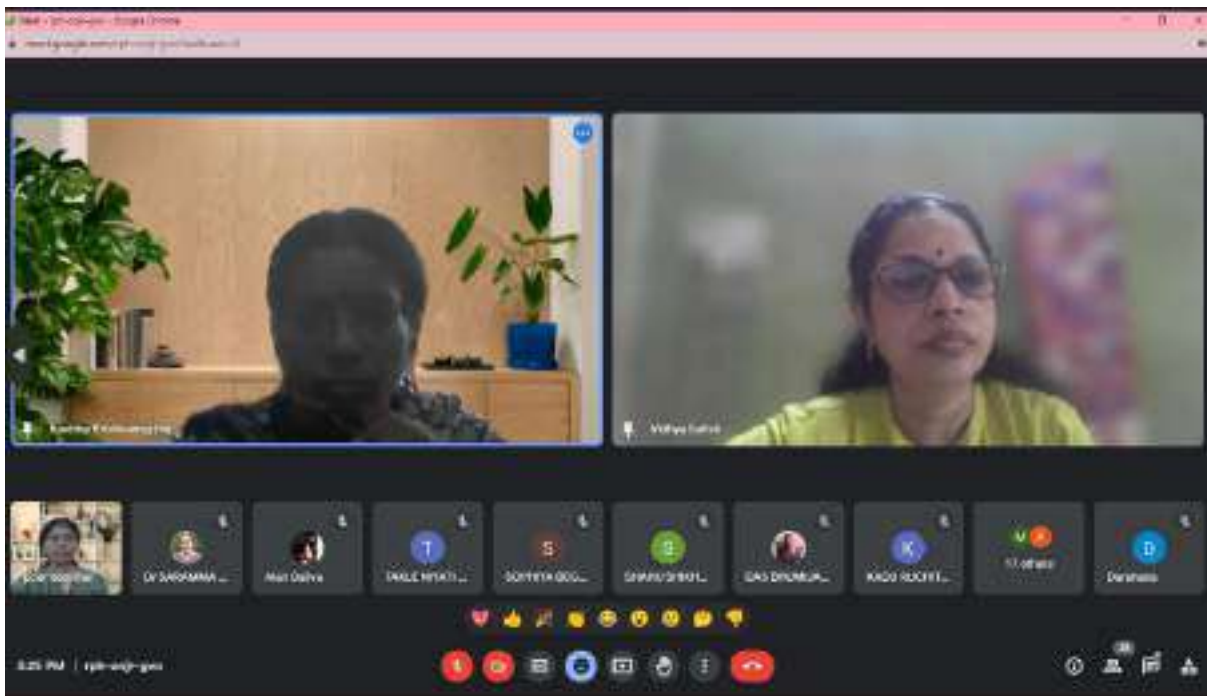

#### 14. Emyrean School, Kharghar

Pillai College of Education and Research (PCER), Panvel, collaborates with Emyrean School in Kharghar to facilitate resource sharing and internship opportunities for students. Through this partnership, PCER students gain access to resources and facilities at Emyrean School, enhancing their learning experience and practical skills development. Additionally, students have the opportunity to participate in internships at Emyrean School, gaining valuable hands-on experience and insight into the field of education. This collaboration enables PCER students to broaden their knowledge, expand their professional networks, and prepare for successful careers in the education sector.

## 15. SIES College of Comprehensive Education, Sion & SIES College of Comprehensive Education, Nerul

As part of the collaboration between Pillai College of Education and Research (PCER), Panvel, and SIES College of Comprehensive Education (SCCE), Sion, and SIES College of Comprehensive Education, Nerul, PCER students can benefit from capacity-building workshops and sessions organized by these institutions. Participation in joint workshops and sessions provides PCER students with opportunities to network with faculty members and students from SIES College of Comprehensive Education. This networking can facilitate knowledge exchange, collaborative projects, and potential mentorship opportunities, enriching the learning experience for PCER students.

## 16. Shree Narayan Guru College of Education(B.Ed.)

The collaboration between PCER and Shree Narayan Guru College of Education underscores our shared commitment to promoting excellence in research and academic scholarship in the field of education. By leveraging our collective expertise and resources, we aim to facilitate meaningful research endeavours and contribute to the advancement of knowledge in the field.

As Members of College Research Review Committee for M.Ed. & Ph.D. they provide valuable expertise, feedback, and guidance to ensure the quality and rigor of research conducted by students and faculty members. Through their collective knowledge and experience, the committee members contribute to the advancement of educational research and scholarship in their respective fields.

## **17. Heartfulness Institute, Novi, MI, United States**

Pillai College of Education and Research (PCER) has established a collaborative partnership with the Heartfulness Institute located in Novi, MI, United States. This collaboration, initiated as part of PCER's commitment to holistic education and student well-being, aims to integrate mindfulness practices and promote mental health among PCER students.

The collaboration with the Heartfulness Institute involves a series of workshops, seminars, and experiential learning opportunities designed to enhance the mental health and well-being of PCER students. Certified instructors from the Heartfulness Institute conduct training sessions focusing on mindfulness practices, stress management techniques, and emotional resilience strategies. These sessions provide students with practical tools to manage stress, enhance self-awareness, and cultivate emotional well-being.

In addition to student-focused initiatives, PCER and the Heartfulness Institute are exploring avenues for joint research projects, academic exchanges, and collaborative initiatives aimed at promoting mental health and holistic development in educational settings. These endeavors seek to contribute to the body of knowledge in the field of mindfulness-based interventions and their impact on student well-being and academic success.

PCER's collaboration with the Heartfulness Institute underscores its commitment to fostering a culture of mindfulness and self-awareness within the institution. By promoting mental health and well-being through mindfulness practices and holistic education initiatives, PCER aims to support the holistic development and academic success of its students.

As part of PCER's ongoing efforts to enhance quality and excellence in higher education, the collaboration with the Heartfulness Institute represents a significant step towards promoting student well-being and fostering a conducive learning environment. PCER remains committed to nurturing this partnership and leveraging it to benefit students, faculty, and the broader community. Through continued collaboration and innovation, PCER strives to create a supportive and inclusive educational ecosystem that empowers students to thrive academically, emotionally, and personally.

### **18. Jeevanjyoti Charitable Trust, New Panvel**

Pillai College of Education and Research (PCER), Panvel, partners closely with Jeevanjyoti Charitable Trust in New Panvel to enhance students' moral leadership, social, and emotional skills. Together, PCER and Jeevanjyoti Charitable Trust organize tutoring sessions and literacy awareness drives aimed at empowering students with essential academic skills and knowledge. These initiatives not only support students in their educational journey but also foster a sense of social responsibility and community engagement. Through collaborative efforts, PCER and Jeevanjyoti Charitable Trust work towards nurturing well-rounded individuals who are equipped with the moral, social, and emotional competencies necessary to thrive in today's interconnected world.

### **19. NJCT' Kal Ki Chhaya, Kamothe**

Pillai College of Education and Research (PCER), Panvel, collaborates closely with Nirmal Jeevan Charitable Trust's Kal Ki Chhaya initiative in Kamothe to enhance students' moral leadership, social, and emotional skills. Through joint efforts, PCER and NJCT organize tutoring sessions and literacy awareness drives aimed at empowering students with essential academic skills and knowledge. These initiatives not only support students in their educational journey but also cultivate a sense of social responsibility and community engagement. By fostering moral leadership and nurturing social and emotional skills, PCER and NJCT's Kal Ki Chhaya initiative strive to empower students to become responsible and compassionate individuals capable of making positive contributions to society.

### **Nirmal Jeevan Charitable Trust, Kalamboli**

Pillai College of Education and Research (PCER), Panvel, partners closely with Nirmal Jeevan Charitable Trust in Kalamboli to enrich students' moral leadership, social, and emotional skills through various initiatives. Together, PCER and Nirmal Jeevan Charitable Trust organize tutoring sessions and literacy awareness drives aimed at empowering students with essential academic skills and knowledge. These initiatives not only support students in their educational journey but also foster a sense of social responsibility and community engagement. Through collaborative efforts, PCER and Nirmal Jeevan Charitable Trust work towards nurturing well-rounded individuals who are equipped with the moral, social, and emotional competencies necessary to thrive in today's interconnected world.

## 20. Navjeevan Centre-NGO

Pillai College of Education and Research (PCER), Panvel, in its commitment to community engagement and holistic education, has forged a longstanding partnership with Navjeevan Center (NJC), Nerul. Over the past five years, Pillai College of Education and Research (PCER), Panvel, has fostered a robust collaboration with Navjeevan Center (NJC), Nerul, as part of our commitment to community engagement and social responsibility. Through this partnership, PCER students have dedicated themselves to providing academic support and mentorship. From one-on-one tutoring sessions to extracurricular activities and vocational training initiatives, PCER students have played a pivotal role in empowering NJC students to realize their full potential and contribute meaningfully to society. As we reflect on the accomplishments of the past five years, we remain committed to fostering this partnership and continuing our shared mission of serving the community, promoting educational equity, and nurturing future leaders for a brighter tomorrow.

## 21. SOPAN Shanay Autism Resource Center, Khanda Colony, Sec.7, New Panvel

Pillai College of Education and Research (PCER) collaborates with SOPAN Shanay Autism Resource Center in Khanda Colony, Sec.7, New Panvel, providing PCER students with practical experience in special education and autism intervention. Under the center's guidance, students engage in hands-on activities tailored to the needs of individuals with autism, honing their skills in behavior management, communication, and individualized instruction. This collaboration fosters a compassionate and inclusive mindset among PCER students, enriching their academic learning and deepening their appreciation for the diversity and potential of individuals with autism. PCER remains committed to nurturing this partnership and advancing inclusion and empowerment for individuals with autism and their families.

## 22. ARPAN- A public charitable trust (Reg. E24873)

Understanding Child Sexual Abuse & Personal Safety Education Program On 11th and 12th October 2021, a Understanding Child Sexual Education Program was Group of Institutions. with half day training on Abuse & Personal Safety organized ARPAN, working towards educating children and adults about personal safety. by Pillai an NGO The content and learning of the training were beyond the academic curriculum focusing on gaining knowledge, skills, and a positive attitude to reach out to children, families, and communities at large. We signed an MoU with Arpan and as a part of our collaboration the student teachers, during their internship program, disseminated information among the school children. Students & Teachers who completed the training were given • Arpan's Personal Safety Education Kit Grade 1 to 10- • Adult Awareness Session PPT & Working Notes:- • Resources for Caregivers • Resources for Children.

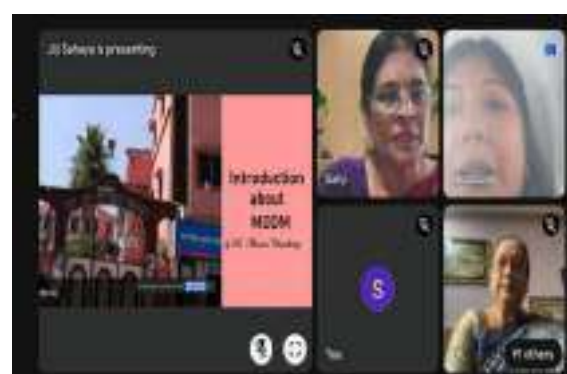

### SAMPLES OF THE CERTIFICATES RECEIVED BY THE STUDENT-TEACHERS

### 23. Mahant Darshan Das Mahavidyalaya-Department of Education, Muzafarpur

Our collaboration, PCER, Panvel and Mahant Darshan Das Mahavidyalaya aims to promote academic training workshops, sessions, and mutual participation in seminars and conferences to enhance the quality of education and foster academic growth. One notable activity conducted under this collaboration was the "National Seminar: Healthy People on Healthy Planet," held on 30th September 2023. This seminar, organized jointly by PCER and Mahant Darshan Das Mahavidyalaya, aimed to explore the intersection between health, sustainability, and education. The seminar provided a platform for scholars, educators, and practitioners to discuss emerging trends, research findings, and best practices in promoting health and well-being for individuals and the planet. Through keynote speeches, panel discussions, and paper presentations, participants gained valuable insights into holistic approaches to health education and environmental sustainability. The collaboration between PCER and Mahant Darshan Das Mahavidyalaya is aligned with our shared commitment to promoting excellence in education and contributing to societal well-being.

## **Linkage with Homi Bhabha Center for Science Education**

National Science Day is celebrated in India on 28<sup>th</sup> February each year to mark the discovery of the Raman effect by Indian physicist Sir C.V. Raman on 28<sup>th</sup> February 1928. For his discovery Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930.

**Homi Bhabha Center for Science Education (HBCSE)** in Mankhurd organizes exhibition which showcases the advancements in Science and Technology and is open for all. Schools and colleges bring their students as it is wonderful exposure for students with interest in Science.

Every year students of first year and second year B.Ed. students of our college, Pillai College of Education and Research, New Panvel, visit this exhibition.

In the year 2020 about 40 students along with teachers made the trip to HBCSE. The special feature of this year's exhibition were the exciting demonstrations in Science and Mathematics, Exhibitions on „History of Science, Gender and Science“, Hands-on-minds-Mathematics, Exhibits in Design and Technology, Physics, Chemistry, Biology Olympiad Experiments Glass Blowing Techniques, Liquid Nitrogen Experiments, Video shows, Book Exhibition, Sale of Books, Scientific toys & Garden Walk.

The theme for the National Science Day 2019 was ‘Science for the people and people for Science’ This year about 50 students along with teachers made the trip to HBCSE. There were various exhibits on weather and climate, plant and animal life, Science and its utility to

human life, various interesting scientific phenomena like glass blowing, liquid nitrogen, etc. There was a special exhibit about the history of Science and the role of women in Science. This was an interesting addition as understanding the contributions of many women scientists are not known to most of us. Their work was overlooked at times and at other times their contributions were passed to other male scientists. It is an interesting aspect as we could see the difference in how women are encouraged to take up Science as a career and are seen excelling in it.

Books and various articles of scientific interests are also on display. There are lot of hands-on experiments for the students. It is always a wonderful experience for all and we come back enriched with the exciting and dynamic knowledge that Science has to offer.

***Contest on “Innovative Teaching-Learning Practices in the classroom”***

**27<sup>th</sup> February 2018:** Homi Bhabha Centre for Science Education, in collaboration with our college, PCER-Panvel, organized a *Contest on “Innovative Teaching-Learning Practices in the classroom”*. A few of our students also participated in this contest by presenting their self-developed Teaching-Learning models.

## **Linkage with Manav Vikas Sanstha, New Panvel**

Inclusive education is going to be reality in Indian school system in the years to come and in order to develop sensitivity, awareness and understanding among our student teachers to the need and importance of inclusive education; we had our community service initiative at Manav Vikas Sanstha, a school for special children at New Panvel. This school has students with mild to moderate to severe disability that are taken care of by a wonder team of well-trained and sensitive teachers led by their Principal, Ms. Shreya Jadhav. They also have an in-house psychologist, who designs activities and tests for these students. Each of the student stays in one

class under one teacher for about 3 years before they move on to the next class. There are games and activities planned in such a manner that everyone

Our students and teachers were at this school for nearly 3 months beginning from October. Each batch of students spent two hours every day with the children and their teachers in understanding the needs of the students and ways to help them. Our student teachers also prepared teaching aids for the center as per the

instructions of the teachers. The objective of taking our student to this school was to make them sensitive to the society we live in; the people who are part of the society and also make them realize the amount of patience and sensitivity required by the teachers to handle special children.

## **Workshop on Dyslexia awareness**

On 4th October, 2019 a workshop on Dyslexia was held at CKT college, Panvel. The workshop was organized by Bharatiya Manav Vikas Sanstha in association with the Maharashtra Dyslexia association. Ms. Priyanka Pandit and Ms. Sai Gharpure were the speakers. They spoke about specific learning disorders. They also mentioned that dyslexia, dysgraphia and dyscalculia coexisted together. As teachers we need to be very patient with students with specific learning disorders and understand that these students are equally capable of doing great things. We need to be aware about the different provisions that the government has made so as to engage them and encourage them in their own fields. It was a wonderful experience being part of this workshop as it enriched our knowledge and also helped us to understand the various difficulties that differently-abled students face.

## LINKAGE WITH COURSERA

Coursera is an online education provider that offers online courses, popularly known as MOOCs or Massive Open Online Courses, from top universities and companies around the world. Mahatma Education Society's tie-up with Coursera gave us the opportunity to learn and earn certificates from a plethora of renowned institutions from across the globe.

The students and faculty of MES, have free access to the Coursera courses through mes.ac.in email IDs. The student teachers as well as the teacher educators made the best of the opportunity provided.

A total of 186 certificate courses were completed by 45 student teachers from F.Y. B.Ed. (2020-22), 27 certificate courses were completed by the student teachers of S.Y. B.Ed. (2019-21) and 19 certificate courses were completed by the student teachers of S.Y. M.Ed. (2019-21).

All the teacher educators have also successfully completed certificate courses in the subjects of their interest from institutions of their choice. This opportunity helped the students, faculty, alumni and staff to hone their skills and abilities.

## LINKAGE WITH CONAT

### Certified Mentorship program

Cognitive and natural ability assessment (CONAT) is a 60-minute assessment to scientifically measure the Cognitive Abilities and Natural Learning Strengths of Students. The assessment numerically measures cognitive ability factors like Focus, Decision Making Ability, Creativity, Dynamic IQ termed as natural ingredients for success in life in general.

The student teachers and alumni of PCER were given an opportunity to become certified CONAT Mentors. The introductory session was open to all the student teachers as well as the alumni of PCER. To become mentors, students had to attend training sessions which was on voluntary basis. Few students went ahead with the training to successfully become certified CONAT Mentors.

The following students attended the CONAT training sessions from 27<sup>th</sup> to 30<sup>th</sup> January 2022:

1. Jeena Lyla Jacob
2. Asmita Galande
3. Pooja Rajabhau Markad
4. Archana Kumari Singh
5. Sylvia Jyoti Dmello
6. Manisha Sanjay Singh Baghela
7. Pritam Prabhakar Dhavale
8. Divya Wadhwa
9. Shruti Nair
10. Pooja Talreja

**ASSOCIATION WITH UGC-HUMAN RESOURCE DEVELOPMENT CENTER,  
UNIVERSITY OF MUMBAI**

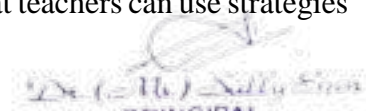

Mahatma Education Society's Pillai College of Education and Research New Panvel organised the Short term course on "Contemporary Strategies in Teaching and Assessment" in collaboration with UGC HRDC University of Mumbai.

Dr. Sugra Chunawala, Dean and Professor, Homi Bhabha Centre for Science Education, Mumbai was the guest of honour for day 1. She highlighted the theme of the short term course. She explained the meaning of assessment and threw light on large scale assessment and narrow scale assessment with the help of think pair and share activity. She explained to the participants concepts like disruptive technology, cognitive conflict and diagnostic testing. She also shared how PISA- program for international student assessment conducts tests.

Dr. Deepa Chari, Homi Bhabha Centre for Science Education conducted a session on "Responsive Pedagogies". She explained about differentiated instruction, understanding what mindsets are and how a growth mindset is different from a fixed mindset. She also highlighted techniques such as interactions with clicker questions, using white board student-led discussions and peer instruction help responsiveness. She also mentioned how quiz, group presentations and newspaper clippings can be made interesting tools of assessing the students in the classroom.

Ms. Reema Mani from Homi Bhabha Centre for Science Education conducted a session on contemporary strategies in classroom assessment. She explained that teachers can use strategies

like one minute papers, poster making, chain notes, weekly papers, summary writing, concept inventories and Google forms for assessment.

The second day of the short term course began with a session on "Cyber Security: Growing up digital" which was conducted by the resource person DR. Prakash Lokhande from MES Pillai College of Engineering, New Panvel. He informed the participants that the age group 10 to 18 and the age group 35 to 60 are the two target groups for Cyber criminals. He explained how cyber

criminals target the common people. He stressed on how teachers need to know to protect themselves and their students. He mentioned the use of technology to help teachers to make the students online-time productive in the classroom and at home. He revealed the shocking fact of how selfies and photographs that are uploaded on social media give complete information about the phone, place, etc. He also showed how emails, passwords and home CCTV can be hacked and how mobiles can be made more secure. He also highlighted frauds related to ATM cards, credit cards card cloning, etc.

The session titled "Self-assessment and self-regulation for Joyful Teaching" was conducted by DR. Sybil Thomas. Madam explained the meaning of reflection with an activity. She urged that as teachers we must make an appointment with ourselves, every teacher must make time to reflect and learn from her experiences. She emphasized that only if we discover ourselves then we can go towards others-"Myself is my only and true companion". She carried out the activity of 'Johari Window' for self-assessment. She also explained that assessment is a process to remove objects, behaviour, thoughts that are hurdles and not necessary and keeping the right and important things and moving ahead.

The third day session was on "Digital Immigrants versus Digital Natives" conducted by DR. Agnes D'costa, Associate Professor at Pushpanjali College, Vasai. She explained about various avenues like OER's- Open Education Resources, Website blogs, discussion boards, Learning Management System, MOOC Massive Open Online Resources and Virtual Laboratories. She explained their uses, highlighted how SWAYAM enables teachers to learn through and also

create e-tutorials, e-content, and access web resources and develops self-assessment techniques.

DR. Madhavi Dharankar from SNTD University's department of Educational Technology. She interacted with the participants on the problems faced in the classrooms in higher education. She explained that flipped classroom means combining classroom traditional teaching-learning with digital instruction however success can be achieved if there is a perfect blend of both together. After discussing the objectives of flipped classroom, she threw light on- 'rotation, flex, self-blend and enriched virtual' as the four models of blended learning. She also explained the face to face mode and online mode of conducting activities. The participants also planned a Blended learning course structure with in-class activities and out-of-class activities.

The Day 4 session 1 and 2 were on "Moodle as a tool for Teaching Learning and Evaluation". The resource person was Mr. Mandar Bhanushe from IDOL- University of Mumbai. He told the participants that Moodle is FOSS- i.e. free and opensource software and it stands for 'Modular Object Oriented Dynamic Learning Environment'. The resource person

DR. Geeta Shetty, Associate Professor from St. Xavier's Institute of Education & Research,

introduced progressive pedagogy as adding a new dimension with respect to students, society and self. She said we make meaning of the world around us based on our mindsets, perception and experience. She conducted an activity which depicted that we are very comfortable with natural or existing structures but it is important to update,

upgrade and be progressive. She explained the concepts of cognitive dissonance, knowledge dimension and process dimension and the use of schema in teaching learning.

DR. Anna Fernandes, Principal, Shree Narayan Guru College of Education, Chembur, began with Spot jogging an activity to make the participants realize their potential. She told the

participants that "The best teachers are those who show you where to look but don't tell you what to see." She emphasized on the student-centred approach of teaching to overcome the problems we face in our classrooms. She explained in detail the Service based learning method to the participants- its meaning, need and its steps with the help of a Snow-Ball Game. She also highlighted the Team-based learning method and Student-preparation, readiness assurance and application as its steps.

DR. Anusha Ramanathan from Tata Institute of Social Science conducted a session on Differentiated Instruction. She emphasized on the fact that One size does not fit all, similarly every student is unique and therefore how differentiated instruction is very much required. She explained how teachers can differentiate on the basis of content, assessment, performance tasks, and instructional strategies.

**LINKAGE WITH BALGRAM**

Community Service Day was celebrated on 27th January, 2018 at the V. Pillai Campus of Mahatma Education Society. This year we approached the inmates of Balgram at Khanda Colony for their presence at the community day. A letter of permission was first sent to their head office following which they agreed to be a part of our community day service. About 25 children in the age group of 5 to 15 years were picked up from their center and taken to our campus. After a wonderful lunch, we all took our wards to play games and have some fun time. Various games like peas and straw, musical chair, playing out scenes were also conducted. Volunteers of our second -year students and college volunteers were a great support for us. The students participated enthusiastically and won prizes. All the students managed to win some prize and were very happy. After a formal distribution of snacks and gifts the students were dropped off to their center.

## Linkage with Bharat Vikas Parishad

### Shramdaan- Promoting a sense of Patriotism

To instil a feeling of compassion and appreciation towards our soldiers in the front, the student teachers of S.Y. B.Ed. participated in Diwali sweets packing for the army jawans at the Indian border posts. This event was organized by Bharat Vikas Parishad and was a small gesture to express our deep heartfelt gratitude to our brave soldiers who stay away from their families during all the major festivals guarding the Indian borders and keeping us feeling safe and secure.

## LINKAGE WITH A REHABILITATION CENTER- IMMANUEL MERCY HOME

As Mahatma Education Society celebrated its 50th year, our community day on 24th January, 2020 had a slight difference. This year, we were asked to invite our alumni to participate as volunteers for the day. As in the past year, this year also we had children from **Immanuel Mercy Ashram, Chiple, Panvel** as the NGO we connected with. For community day, we obtained permission to take children to V Pillai Campus and on the day of the event, 20 children from the ashram were brought to the campus. After a wonderful lunch, we took the children to the designated over the activities and games and involved all the children. Most of the games were group games but we also played Housie. The children had a wonderful time participating in these games and everyone went home with prizes. The prizes chosen this year were of utility value depending on the age of the students. After receiving snacks and gifts sponsored by Mahatma Education Society, the children were dropped off at Immanuel

Mercy Ashram.

## LINKAGE WITH SAMARTH BHARAT VYASPEETH

In association with Samarth Bharat Vyaspeeth E-waste Collection Drive was initiated by PCER-Panvel. Plastic waste is an issue which is still prevalent on our planet however due to increase in technology, the next hurdle faced by humankind is increasing e-waste. Proper disposal of e-waste is a burning concern therefore the Nature club decided to collaborate with Thane Mahanagar Palika's Swacch Sarvekshan 2022 for creating awareness among the student teachers about e-waste and its proper disposal. Student teachers collected e-waste from their family and relatives and submitted it to the college. The college in turn donated e-waste to the organization for its eco-friendly method of disposal.

## **In Association with Civil Defense Organization, Raigad**

Pillai College of Education and Research organised a 3-day workshop from 14th to 16th November 2019 on disaster management for the student teachers of B.Ed. and M.Ed. The session was headed by Deputy Controller Smt. Rajeshwari Kori and Assistant Deputy Controller Mr. K.R. Kurkute from the Civil Defence Organization. The delegators of the session have been working with Civil Defence Organisation appointed by the Government of each state. Civil Defence Organisation works at global level; it began in England during World War II and has its presence in countries like the United States, France, Russia and Pakistan. It works all over India at three levels, which is Central, State and District. At the central level, it consists of the Advisory Committee which advises the Indian government. At the state level the members include Home Secretary, associate members, deputy secretary. It carries out various projects and foresees their implementation on the state level. The organization includes Civil Defence Joint Planning Staff headed by the senior most IPS. At the state level, Mr. Sanjay Pandey is the Director. In the state of Maharashtra the organisation is present only in 5 districts towns because of the risk factors present there. These include Mumbai, Tarapur, Raigad, Nasik and Thane.

## LINKAGE WITH SHANTIVAN- Rehabilitation center at Nere, Panvel

Pillai College of Education & Research, New Panvel has believed in reaching out to the wider community as part of its community service programme & to put this thought into actions the college had arranged community service for the students this year at Shantivan, Nere, New Panvel. This center is spread over 122 acres of land. It is a leprosy rehabilitation center where inmates suffering from the disease are treated and also accommodated along with their families. While here, they are engaged in different activities like farming, cottage industry and so on. There is also an old age home where senior citizens stay in a clean, fresh environment with proper food and medical facilities offered to them. They also run an Aadharghar, where senior citizens with disabilities are taken care of. The students and staff went to Shantivan for five days helped in cleaning the surroundings, helping the aged, interacting with the inmates of Aadharghar and assisting the teachers in the primary school.

## SHRAMDAAN

Pillai College of Education and Research, New Panvel, students and teachers had a three-day visit to Shantivan to clean up which actually involves hard labour. We pulled weeds and overgrown grass from different sections of the center as per the instructions of the staff. This was also a preparation for Diwali. Our students and teachers completed all the work as given.

### **AT THE OLD AGE HOME- Aadharghar**

Our students and teachers spent time at the old age home with the senior citizens and were moved by the tales they heard from them. This also sensitized them to the need to look after our parents in their time of need. Our students also paid visits to the weaving center to see how rehabilitated patients earn their livelihood by weaving most colourful and beautiful bags, dhurries and such items.
