EXTENSION ACTIVITY- DLLE (2024-25)

The academic year 2024–2025 marked a dynamic and engaging phase for the DLLE unit at Pillai College of Education and Research, New Panvel. Under the able guidance of Extension Teacher In-Charge, Dr. Bhanu Yadav, our student-teachers actively participated in various DLLE training programs and outreach activities aimed at enhancing social responsibility, skill development, and community engagement.

The **First Term Training Program** was conducted on 30th August 2024 at Bhavna Trust Junior and Degree College, Chembur. Student Manager Mithila Ashok Mane from S.Y.B.Ed. represented the college along with extension teacher Assistant Professor Bhanu Yadav. The session, led by Mr. Kunal Jadhav, provided detailed insights into the DLLE Extension Portal and the digital submission of Annexures I, II, and III. The training emphasized a shift to online systems for better documentation and effective coordination.

The **Second Term Training Program** was held on 24th December 2024 at Karmaveer Bhaurao Patil College, Vashi. It was attended by Extension Manager Niyati Chavan (F.Y. B.Ed.), co-participant Mithila Ashok Mane (S.Y. B.Ed.), and extension teacher Assistant Professor Bhanu Yadav. The training focused on preparing for the UDAAN Festival, outlining event categories, participation criteria, and project alignment with DLLE themes.

The highlight of the year was our active participation in the **UDAAN Festival** on 27th January 2025, where students from F.Y. and S.Y. B.Ed. showcased their talents in Street Play, Poster Making, Elocution, and Creative Writing. These events encouraged expression, creativity, and team spirit. All participants received certificates, acknowledging their dedication to DLLE's mission.

Overall, the DLLE activities this year fostered leadership, collaboration, and a sense of social commitment among our student-teachers, truly reflecting the spirit of lifelong learning and extension.
