Pillai College of Education & Research, New Panvel (W) celebrated the Joy of Giving Week. Student teachers contributed to the Jumble Sale this year held at the V. Pillai Campus, on 8th October 2022. Good, usable clothes and toys in good condition were collected and sent to the campus. The proceeds of this activity are used to further the cause of the community by the Mahatma Education Society. To instil a feeling of compassion and appreciation towards our soldiers in the front, the student teachers of S.Y. B.Ed. participated in Diwali sweets packing for the army jawans at the Indian border posts on 25th September 2nd and 8th October 2022. This event was organized by Bharat Vikas Parishad and was a small gesture to express our deep heartfelt gratitude to our brave soldiers who stay away from their families during all the major festivals guarding the Indian borders and keeping us feeling safe and secure.

Students participated in literacy campaign by teaching the children at four different NGO centers located in Navi Mumbai (Jeevan Jyoti Trust at Old Panvel, Navjeevan trust at Nerul & Nirmal Jyoti trust's Kal ki Chhaya at Kalamboli and Mansarovar).

Paper bag making is an annual yearlong environmental initiative by PCER. We prepare paper bags out of old magazines or old newspapers. These bags are then stamped with environment friendly message and distributed to few vendors in the Khanda Colony market area.

PCERP students made eco bricks & packed all non-recyclable plastic waste into a single-use plastic/ PET bottle. The collected bottles will then be used in making furniture.

To incorporate NEP 2020 policy, the institution has come up with a few revisions within the given framework of the University to incorporate flexibility and innovation like-

- Certificate course on 'Understanding Art and drama' - This course is aimed at developing an understanding and appreciation of art and drama among student teachers. The syllabus has been prepared by the teacher educators and it follows a blended mode of teaching. It includes self-instructional modules followed by practical presentations by students. This is a 3 credit certificate course.
- Apart from this value added courses like teaching skills, Digital skills, first aid, Communicative English, preparatory course in research and certificate course in self-enhancement have been offered to the students.
- The institution further plans to offer credit based certificate courses in the areas of Counseling, Cultural event management. These would be developed as a part of the curriculum with additional practicum. These courses would be conducted in collaboration with sister concerns or external agencies.
